**Lightbearers of the World**

# UNITE!

Whenever possible, you should seize the opportunity to attend such a conference. What's more, you should make possible the impossible through the alchemy of invocation to your own God Being. Not only are these conferences the most important experience of a lifetime in terms of the expansion of consciousness and the transmutation of untold substance in your world, but your willingness to serve as a coordinate on earth for the hierarchies of light will earn for you a momentum of good karma that you can ill afford to be without.

—El Morya, Chapter 10 of *The Chela on the Path*
