ONLINE SEMINAR

THE ODYSSEY OF YOUR SOUL

A VOYAGE OF SELF-DISCOVERY

Have you ever wondered why you sail through some of life's challenges and experience setbacks at other times? In 1997, Elizabeth Clare Prophet analyzed the life of Homer's hero Odysseus—the archetype of the soul on the spiritual path—to provide answers to this question. In this seminar you will:

- Take a journey of discovery with Odysseus with movie clips and by following the cosmic clock—a powerful tool for anticipating, understanding and passing the tests of life.
- Discover the significance of the twelve tests of Odysseus that we all face in life.
- Gain a deeper understanding of your psychology and the path of self-mastery.
- Chart your own soul's journey to overcoming and wholeness.
- Experience the love and enlightenment of the ascended masters through replays of their dictations.
