Let us, therefore, confirm that freedom upon this soil and in this heart and in this Inner Retreat. Let us confirm it by drawing a mighty circle of sacred fire around this place—and this place that is dedicated to God-mastery, the place of the secret chamber of the heart, the place of community, and the land that is chosen to be that Inner Retreat for ye all and for all who will come after you.

-Saint Germain, Pearls of Wisdom, 1981
